

47th Annual Seminole Sound Spectacular

Saturday, September 28th, 2024

It's time to start hitting the pavement and sell ads for Seminole Sound. This is a great way to raise money for your fair share.

50% Fair Share Credit for Business Ad Donations

Please place the completed form, ad/graphic, and payment into a sealed envelope marked "Sound Ad – Special Events". Then drop it in the blue box.

You can find an updated company list on our website at:

[Seminoleband.org/program-ads](https://seminoleband.org/program-ads)

For the first two weeks, **starting July 15th**, the companies in red are locked to only the student that received their donation from the prior year. On **July 29th**, all companies will be available for all students. The last day to sell ads is **September 9th**.

When you sell an ad – please go to the website and specify which company bought. An email will be sent to the boosters to add it.

When you contact a company – please go to the website and indicate you have contacted them already. An email will be sent to the boosters for review.

If a company needs to send graphics for the ad, please have them send it to specialevents@seminoleband.org
